

## Corporate

The Company held its annual general meeting ("AGM") in July and shareholders approved the disposal of the Aceh asset in Indonesia to our major lender.

The Company is in the process of completing the June 2016 audit for lodgement and apply for reinstatement on the ASX.

There has been renewed interest in the mining space in recent months, and it is the Company's intention to start with a clean slate, to look for a new project in a developing country for exploration and development.
